CORE BUSINESS TRAINING at CCRCs

For Child Care Providers

Core Business Training

The Core Business Training Series is a six-part, 18-hour comprehensive training course designed to teach all aspects of child care business administration to child care program owners and directors of all modalities. It was developed by Early Care & Learning Council in 2021 and has been taught to over 600 child care providers across New York State since then.

These courses assist providers in gaining confidence, skill, and practical expertise that will help them upgrade their child care business.
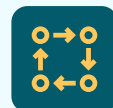

- Business and Financial Structure
- Ongoing Financial Management
- Staff Recruitment, Management, and Retention
- Marketing
- Facilities and Liability
- Program Contracts and Policies
